Jinaicho tour, right close to the station

“车站周边”寺内町巡游
「車站周邊」寺内町漫步
역 주변 지나이초 투어

Jinaicho is an area of temples and townhouses. Originally a moat-fortified castle town founded in the Middle Ages, the head priest of Gansenji Temple was the feudal lord and ruled independently. It's a historic town where people were always on the move, and that flourished as a port of call for Kitamaebune ships. That spirit still lives on here, just a short distance from Nankai Railway's Kaizuka Station.

Kaizuka Sightseeing Volunteer Guide Association

A volunteer guide will take you on a tour of many famous historical sites in Kaizuka. Besides the Jinaicho and Mizuma areas, you can visit other areas in Kaizuka that interest you. The guide will introduce local folklore and other information for a fun tour. For reservations and inquiries, contact Town Station Kaizuka.

* Tours require a fee to support our work.

Reservations
